

Family Learning

St Machan's Primary School

Dear Families,

Like the staff across the school, I am still available via email. If you have any worries or anything you need advice on drop the office an email and I will get back to you.

I'm on TEAMS in every class on the Family Learning channel and will post fun activities for you to try at home, together as a family - please upload pictures of you trying them out as it's great to see you all!

As of Monday 11th May I'll be doing a 'Come Cook with Me' video every Monday at 3pm.

You'll know what you will need as I will post the ingredients a week in advance so you can join in the fun!

It won't be anything too complicated...I promise!

For more information please contact:
